

Open Frame & Panel Mount AC/DC

DC/DC & POL Modules

Din Rail : incl ATEX Models

Plugtop & Desktop Adaptors

Medical SMPS

IEC Inlets & Fans : LED Drivers

Configurable Power Supplies

Application Specific Products

Industrial & Medical AC/DC SMPS
200W, 400W, 600W & 1800W Models

1U High: IP67 Sealed Versions

Configurable 1U SMPS 600 & 1200W

3" x 5" footprint: up to 8 outputs

UK Based Configuration Centre

Small batch, 24 hour turnaround

Hi-REL, Industrial & Medical 1U High
Configurable SMPS

Convection Cooled, No Fan Required

Cool X Series—600W, 1000W, 1800W

Multiple options / features available

Wide range of modules

Ultra Small Power Dense SMPS
3" x 5" 1U High: 125W to 500W

2" x 4" 1U High: 270W

Industrial , ITE & Medical Grade

Single & Multi Output Models

Feature Rich Products

Modification Service Available

Specialist Gaming Power Supplies

AC/DC Power Supplies

DC/DC Converters

Medical and Rail a speciality

Elec & Eltek 依利安達

Power Magnetics, Inductors & Chokes

Wireless Power Coils

RJ-45 Magnetic integrated Connectors

Industrial High Power SMPS

Programmable SMPS

Up to 3KW per unit, Paralleable

Plugtop & Desktop Adaptors

Industrial & Medical Grade

Wide range of Output Connectors

Sockets for DC/DC converters,
Image Sensors; Gas Sensors etc

High Voltage Low Power DC/DC
Converters and Amplifiers. Up to 15KV

Military UPS Systems
Military Grade Power Systems
