

Open Frame & Panel Mount AC/DC

DC/DC & POL Modules

Din Rail : incl ATEX Models

Plugtop & Desktop Adaptors

Medical SMPS

Configurable Power Supplies

Application Specific Products

Industrial & Medical AC/DC SMPS

200, 400, 600 & 1200W Models

1U High: IP67 Sealed Versions

Configurable 1U SMPS 600 & 1200W

3" x 5" footprint: up to 8 outputs

UK Based Configuration Centre

Small Batch, 24 Hour Turnaround

Specialist Railway Products

Ultra Small Power Dense SMPS

3" x 5" 1U High: 125W to 500W

2" x 4" 1U High: 270W

Industrial , ITE & Medical Grade

Single & Multi Output Models

Feature Rich Products

Modification Service Available

Specialist Gaming Power Supplies

AC/DC Power Supplies

DC/DC Converters

Rail, Medical and

Industrial Solutions

Etec & Eltek 依利安達

Power Magnetics, Inductors &
Chokes

Qi Wireless Power Coils

RJ-45 Magnetic integrated

Connectors

Plugtop & Desktop Adaptors

Industrial & Medical Grade

Wide range of Output

Connectors

Industrial High Power SMPS

Programmable SMPS

Up to 3KW per unit

Parallel -able

High Voltage Low Power DC/DC

Converters and Amplifiers

Up to 15KV

High Voltage Components

Military UPS Systems

Military Grade Power Systems

Military Grade Inverters

Our team of power specialists are on hand to assist with product selection and to offer technical support throughout the design cycle.

We can also offer modified units and a full custom design service if required
